ABOUT

My name is Pax, and I live for storytelling. I am a professional voice actor with a broadcast quality home studio. I bring a background in Improv and experience on both sides of the glass as a sound designer for AAA video games and commercials/film/television. I love collaboration and the process of bringing characters to life!

Whether you need a charming hero, dashing rogue, or any creature you can imagine - let's make something great together!

VOCAL RANGE Tenor/Baritone
AGE RANGE Teen, 20's-40's, 60+
